About the Lesson: "A Bride for Isaac"

What part of today's lesson did you like the best? I really liked the part that helped me know how I can have God's very best plans for my life. What did those plans include for Isaac? What part did God help Isaac do so He could receive the best? *(Help children look up and fill in the blanks for Psa. 37:7; 37:4. Share what the Lord helped you do with some little things in your life this past week and ask the children how they could be like Isaac.)*

Rebekah had an exciting day, didn't she? But at first it was just like any other day. What kind of things were a daily part of her life? *(Help children look up and fill in the blanks for Gal. 5:13; 2 Thess. 3:13; and 1 Peter 3:8.)* How can you make these things a daily part of your life? *(Give examples from your life.)*

What is God waiting to do for us? *(Help children find Psa. 32:8 and underline the promise.)* God wants to give **you** the best, too. Today He wants to help you do the things you've written on your papers from the Bible.
